

PARROT

Art. P3 cm 135/6-D 270

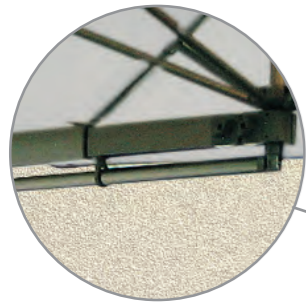

PARROT

■ Ombrellone da muro, permette di utilizzare con la massima libertà lo spazio sottostante. L'ombrellone Parrot è totalmente regolabile in quanto girevole, inclinabile e dotato di braccio estensibile da cm 140 a cm 180.

■ Parasol mural, notre modèle Parrot permet d'utiliser sans limitations l'espace au dessous. Il est totalment réglable, dès qu'il peut pivoter, le bras est extensible de 140 à 180 cm et inclinable.

■ Our wall parasol Parrot allows to fully enjoy the space underneath, as it's completely rotating, tiltable and extendable thanks to the telescopic horizontal arm.

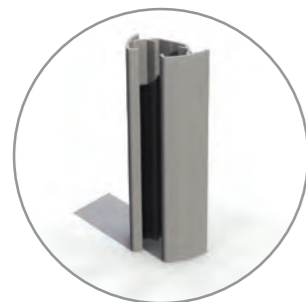

■ Unserer Wandsonnenschirm Parrot ermöglicht den Raum darunter mit maximaler Freiheit zu nutzen. Der Parrot ist voll verstellbar, da kann es drehen, neigen und der Arm zu cm 180 strecken.
