I cuscini da esterno Maffei sono prodotti con gli stessi tessuti molto resistenti degli ombrelloni, al fine di creare un coordinato. Sono sfoderabili e la schiuma interna è a lastra unica.

Les coussins pour extérieur Maffei ont le même tissu résistant que les parasols, à fin de créer un set avec les parasols. Ils sont déhoussables et la mousse est à couche unique.

The outdoor cushions Maffei have the same resistant fabric as the parasols, to match them. The cover is easily removable and the filling is a polyurethane block.

Los cojines de exterior Maffei están confeccionados con las mismas telas de alta resistencia que las sombrillas, creando un look coordinado. Las fundas son extraíbles y la espuma interna es de una sola capa.
